

COTTLE COUNTY APPRAISAL DISTRICT LOCAL ANNUAL REPORT 2022

The Cottle County Appraisal District is a political subdivision of the State of Texas. The provisions of the Texas Property Tax Code govern the legal, statutory, and administrative requirement of the appraisal district. Members of the Board of Directors are appointed by the taxing units within the boundaries of Cottle County and must live within the district two years prior to serving on the board. The Chief Appraiser is appointed by the Board of Directors and is the chief administrator of the appraisal district. The Appraisal District is responsible for local property tax appraisal and exemption administration. The local taxing units such as your County, Schools, Cities, and Groundwater Conservation District set a tax rate from your property tax appraisal issued by the Appraisal District. The Cottle CAD serves the following taxing units.

The district maintains approximately 6,000 parcels with property types of residential, commercial, business personal, utilities, minerals, and pipelines. Paducah ISD is contained within the boundaries of Cottle County with Childress and Quanah ISDs coming into our district.

Exemption Data: The district has various exemptions that taxpayers may qualify for.

Homestead and Over 65 residential exemption: You may only apply for residence homestead exemption on one property in a tax year. A homestead may include up to 20 acres of land you actually use in the residential use (occupancy) of your home. To qualify for a homestead exemption, you must own and reside in your home on January 1 of the tax year. The age 65 or older or disability exemption for school taxes includes a school tax limitation or ceiling. Some taxing units such as county and cities have exemptions and tax ceilings limits. The filing of this application is between January 1 and April 30. You may file a late homestead exemption if you file it no later than one year after the date taxes become delinquent. There is also a Transfer of Tax Limitation or Ceiling Certificate if you move out of the county; this can transfer to the new county you reside in.

AGRICULTURAL 1-D-1 OPEN SPACE AND WILDLIFE MANAGEMENT

Because of Senate Bill 771 there is a temporary recession of agricultural use during the drought. Qualified open-space land does not become ineligible for the special appraisal when a drought is declared by the Governor. The Governor has declared the necessity to cease agricultural use for longer than normal time period. We will work with our farmers and ranchers during the drought.

The PVS found your local value to be valid, and local value was certified.

The Property Value Study is conducted by the State Comptroller's Office to estimate the taxable property value in each school district to measure the performance of Appraisal Districts. If the Appraisal District is within a 5% percent margin the State Comptroller will certify the local value to the Commissioner of Education. The findings of the study are used in the school funding formula for state aid. Cottle CAD has received local value for all school districts.
